ABOUT THE COLLEGE

The college was established in 2018 in the name of great social reformer and philanthropist 'Jyotiba Phule'. The college has created a niche in the field of Higher Education since its inception. Excellent academic atmosphere, stress on all-round personality development of students, ultra-modern spacious building with all modern pedagogical gadgets, well stocked library, highly qualified and dedicated staff are some of the salient features of this college. This college is situated about 1.5 km away from bus stand of town Radaur.

ABOUT THE SEMINAR

Education has always been an important facet of every life, but never before in the history of Independent India has education taken such a significant role as it has today. To cater the needs of students and to make our students world class professionals, National Education Policy 2020 was approved by the Union Cabinet of India on July 29, 2020. It proposes to overhaul Higher Education to accomplish the desired transformation of education. It requires multidisciplinary inputs, high-quality contents, as well as latest pedagogical skills. A teacher must be proactive in understanding in detail the ethos, the aims, objectives and the motto of the NEP 2020, and up-skill himself/herself with rigorous Continuous Professional Development programmes, trainings, participation in seminars, workshops and conferences at various levels. The seminar is an attempt to make aware and prepare teachers in this changing scenario of Higher Education in our country.
